OBJECTIVE

Certified and highly qualified English and literature teacher with 4+ years in teaching middle and high school students. Well-versed with the English language, modern teaching approaches, and assessment methods.

Experienced and talented creative director with over three years of experience in the art industry. Skilled at executing various project phases, including production and post-production routines. Creative and diligent professional committed to achieving project goals within the budget limits. Looking forward to joining an innovative company to use my problem-solving and administration skills in directing creative projects.
